EXECUTION COPY

**SUMMARY OF TERMS
PROPOSED ASSET PURCHASE**

PROJECT PACKER

This binding term sheet (this “**Term Sheet**”) summarizes certain material terms and conditions of the proposed transaction by and among Buyer (as defined below) and Specialty Retail Shops Holding Corp. and its affiliated chapter 11 debtors (collectively, the “**Sellers**” or “**Debtors**”) named in the chapter 11 cases (the “**Chapter 11 Cases**”) pending before the United States Bankruptcy Court for the District of Nebraska (the “**Bankruptcy Court**”), whereby Buyer would purchase certain assets and assume certain liabilities related to the optical services business operated by the Sellers (the “**Optical Business**”) pursuant to section 363 of the United States Bankruptcy Code, 11 U.S.C. §§ 101 et seq., (the “**Bankruptcy Code**”). Sellers and Buyer agree to negotiate in good faith Definitive Agreements (as defined below) in an expeditious manner consistent with the terms of this Term Sheet more fully setting forth the agreements set forth herein and other customary terms and conditions.

1. *Sellers* Specialty Retail Shops Holding Corp. and its affiliated chapter 11 debtors.
2. *Buyer* Shoptikal LLC. Creditworthy affiliates of the Buyer shall guarantee the payment of the cash portion of the Purchase Price (as defined below) to the extent payable pursuant to the Definitive Agreements (as defined below), but shall not be required to guarantee any other liabilities of the Buyer, including but not limited to any of the Assumed Liabilities (as defined below).
3. *Assets to be Acquired* Pursuant to the Asset Purchase Agreement (defined below), Buyer would acquire the following assets of Sellers (the “**Acquired Assets**”), in each case of clauses (i) through (x), to the extent primarily related to the Optical Business (except where otherwise specifically noted):
 - (i) the executory contracts and unexpired leases to be assumed by and assigned to Buyer, as determined by Buyer in connection with the closing of the Proposed Transaction (the “**Closing**”), which the parties currently anticipate would include 26 real property leases listed on Annex A(i) and the other contracts and leases as determined by Buyer (the “**Designated Contracts**”);
 - (ii) all tangible property, accounts, machinery, equipment, inventories and tenant improvements, including such assets that are located at or associated with the Optical Laboratory situated in De Pere, Wisconsin or the Sellers’ corporate headquarters (but excluding tangible assets (other than inventory or optical medical equipment) at closed locations);
 - (iii) software and computer programs and related hardware, in each case listed on Annex A(iii);

- (iv) all intellectual property, company names, product names, trade names, social media accounts, domain names, and goodwill related to, used or held for use in any Shopko business segments (collectively “**Intellectual Property**”) but excluding the Excluded Records (as defined below) (such acquired intellectual property and other assets, the “**Acquired Intellectual Property**”);
- (v) all prepaid expenses, all deposits and all accounts receivable (to be collected in the ordinary course of business, and to be in excess of \$2 million at Closing);
- (vi) all books and records, any policies and procedures and all customer and patient lists (including but not limited to customer lists for Shopko business segments other than the Optical Business), other than those that constitute Excluded Records;
- (vii) all telephone and facsimile numbers and all email addresses;
- (viii) all licenses, permits and applications therefor, to the extent transferable;
- (ix) all benefits, proceeds and other amounts payable under the medical malpractice policy of insurance relating to the Optical Business, any rights, claims or causes of action of any Seller against third parties relating to the Acquired Assets or operations of the Optical Business (other than those that constitute Specified Excluded Assets), and proceeds of all the foregoing assets; provided, however, this shall not imply the assumption of any such claims that arose prior to Closing;
- (x) any rights, claims or causes of action under Chapter 5 of the Bankruptcy Code against trade creditor parties involved in the Optical Business;
- (xi) any claim, right or interest of any Seller in or to any refund, rebate, abatement or other recovery for taxes, together with any interest due thereon or penalty rebate arising therefrom, to the extent primarily related to the Optical Business, any other Acquired Asset or any Assumed Liability (as defined below) (the assets described by clauses (i) through (x), the “**Specified Acquired Assets**”); and
- (xii) all other assets primarily related to the Optical Business (other than the Specified Excluded Assets).

Notwithstanding anything else contained herein, at any time prior to Closing, Buyer will have the right to (x) amend the Annexes hereto by (1) adding (to the extent primarily related to the Optical Business and not with respect to a closed location) software, computer programs, or hardware or (2) adding (to the extent primarily related to the Optical Business) or removing contracts or leases, except that Designated Contracts will include the five post-petition optical store leases currently listed on Annex A(i)

unless the parties mutually agree otherwise, and Buyer may not designate a Specified Excluded Asset (other than Excluded Contracts) as an Acquired Asset without Sellers' consent, and (y) to designate any asset that would otherwise be an Acquired Asset as a Specified Excluded Asset.

4. *Excluded Assets*

All assets of the Sellers that are not primarily related to the Optical Business, except to the extent specifically identified above as a Specified Acquired Asset, are not included in the Acquired Assets and would not be sold to Buyer (the "**Excluded Assets**"). The following constitute examples of Excluded Assets (the "**Specified Excluded Assets**");

- (i) contracts and leases that are not Designated Contracts, including but not limited to any agreements of employment (together, the "**Excluded Contracts**");
- (ii) cash and cash equivalents (other than the Specified Acquired Assets);
- (iii) the Purchase Price (defined below) and all rights of Sellers under the Asset Purchase Agreement;
- (iv) patient records for patients in Iowa, South Dakota, Idaho, Washington, Oregon, Illinois, and Montana (and patient records at the closed locations to the extent Sellers are not permitted under applicable law to transfer such patient records) (the "**Excluded Records**");
- (v) any rights, claims or causes of action under Chapter 5 of the Bankruptcy Code including but not limited to any causes of action that are the subject of the Special Committee's investigation (in each case, other than the Specified Acquired Assets);
- (vi) any claim, right or interest of any Seller in or to any refund, rebate, abatement or other recovery for taxes, together with any interest due thereon or penalty rebate arising therefrom, to the extent it is not a Specified Acquired Asset;
- (vii) applicable federal, state, and local taxes;
- (viii) tangible assets at any of the closed locations (other than inventory and optical medical equipment); and
- (ix) any books and records relating to any of the foregoing Specified Excluded Assets.

Notwithstanding anything else contained herein, at any time prior to Closing, Buyer will have the right to designate any asset that would otherwise be an Acquired Asset as a Specified Excluded Asset (other than the five post-petition optical store leases currently listed on Annex A(i)). The parties will work together in good faith to identify those Excluded Assets that have *de minimis* value to the Sellers as part of the liquidation sales but have value

to the Buyer, and as mutually agreed by the parties, such assets will be deemed Acquired Assets.

5. *Transaction Structure*

Buyer will purchase the Acquired Assets pursuant to an asset purchase agreement (such agreement, the “**Asset Purchase Agreement**,” and such transaction, the “**Sale**”). The Asset Purchase Agreement will contain terms consistent with this Term Sheet and will contain other customary covenants, representations, warranties and closing conditions and such other terms and conditions as the parties may agree.

6. *Purchase Price*

The purchase price for the Acquired Assets shall be cash in the amount of \$8,500,000, plus the assumption of the Assumed Liabilities (the “**Purchase Price**”).

The Debtors and those certain affiliates of the Buyer that are owners of certain properties leased to the Debtors (such affiliates collectively, the “**Landlord**” shall: (A) reserve their rights with respect to (i) Landlord’s asserted administrative claim for “stub rent,” (ii) whether Seller must pay currently under Bankruptcy Code § 365(d)(3) all items of “Rent” as defined in the Master Leases, including real property taxes, “Impositions,” liens, utilities, insurance and common area charges under each of the Master Leases, for the period from the petition date to the surrender of premises, and (iii) whether such amounts are administrative priority claims; (B) Landlord will waive any right to assert that, based on the non-severability of the Master Leases, the Sellers must pay 100% of all items of “Rent” as defined in the Master Leases, that come due and owing under the Master Leases until Debtors surrender 100% of the “Premises” as defined in each Master Lease and, after the Sale closes Landlord shall withdraw the portion of any pleading that made such an assertion, with prejudice, (C) the Landlord’s administrative priority claim for base rent amounts that come due during the Chapter 11 Cases for each location that Seller has not surrendered shall be allowed as an administrative claim and timely paid pursuant to Bankruptcy Code § 365(d)(3) (for the avoidance of doubt, if the Closing occurs and the Debtors surrender an individual location to Landlord, the Debtors shall not be responsible for paying any items of “Rent” as defined in the Master Lease, relating to such location that first comes due after the date of such surrender) and (D) if the Closing occurs, the Landlord’s allowed administrative priority claims shall be reduced by \$1,000,000.

7. *No Transfer of Estate Claims*

The Acquired Assets shall not include any causes of action of the Debtors, other than any applicable Specified Acquired Assets (e.g. accounts receivable, certain tax claims and certain avoidance actions). For the avoidance of doubt, the Debtors would not transfer any claims that they may have against their affiliates.

8. *Assets to Be Acquired Free and Clear* Buyer will purchase the Acquired Assets free and clear of any and all liens, claims, encumbrances, and interests (to the fullest extent permitted under the Bankruptcy Code).
9. *Assumed Liabilities* Buyer would assume the following liabilities and obligations of Sellers (the “**Assumed Liabilities**”):
-
- (i) obligations arising from events occurring on or after the Closing under any Designated Contracts; (ii) liabilities arising from the ownership of the Acquired Assets as may arise on or after the Closing; and (iii) cure amounts and other liabilities under the Designated Contracts.
- Other than the Assumed Liabilities, Buyer would not assume or be deemed to have assumed any liabilities of Sellers, including, without limitation, any liabilities associated with the Acquired Assets (arising before the Closing) or the Excluded Assets and specifically including, without limitation, any other existing indebtedness or encumbrances, any federal, state, or local tax liabilities, any obligations pursuant to any collective bargaining agreements and cure amounts in respect of the pre-petition claims of VSP (Marchon), EyeMed and Zeiss.
10. *Closing Date* The Closing shall occur as soon as practicable after entry of the Sale Order (as defined below), but no later than 15 days after entry of the Sale Order or such later date as Buyer and Sellers mutually agree.
11. *Conditions to Closing* The conditions to the consummation of the closing would include the following:
- (a) the negotiation and execution of the Asset Purchase Agreement and all related agreements contemplated by this Term Sheet or otherwise required in connection with the Sale, including additional assignment agreement(s) to transfer the Acquired Intellectual Property or other Specified Acquired Assets for recordation or other customary purposes (the “**Definitive Agreements**”);
 - (b) completion of due diligence activities by the Buyer to the Buyer’s satisfaction on or before 5pm ET on April 12, 2019; and
 - (c) the Bankruptcy Court’s entry of a final, non-appealable order, in form and substance reasonably satisfactory to the Buyer, approving the Sale and the Asset Purchase Agreement pursuant to sections 363(f) and 363(m) of the Bankruptcy Code (the “**Sale Order**”).
12. *No Financing Contingencies* Buyer’s obligation to consummate the Sale will not be conditioned on any financing contingency.

- 13. Interim Conduct* The Sellers shall continue to operate and conduct the Optical Business in the ordinary course (consistent with practices in place since filing for bankruptcy, including the closing of certain stores on the approximate timeframes specified on Annex B) at all times on or prior to the Closing and subject to the Sale Order and as otherwise agreed with the Buyer; provided, that once Buyer has designated any locations not to be included in the Sale Sellers may liquidate those locations.
- 14. Transferred Employees* Buyer will consider extending offers of employment to substantially all of the employees of the Optical Business effective as of the Sale closing, who are primarily engaged in the Optical Business at the locations being transferred to Buyer. Sellers and Buyer will reasonably cooperate with one another to initiate such hiring process prior to Closing.
- 15. Transition Services* Buyer and Sellers to agree to a transition services agreement for a period to be determined, in accordance with Section 16(a) below. Specific services, and costs, including personnel and facilities, to be determined.
- 16. Bid and Sale Procedures* This Term Sheet shall be subject to higher or otherwise better offers and any such determinations shall be made in the sole discretion of the Sellers; provided, however, that Buyer shall be deemed to be a qualified bidder in connection with any auction sale of the Optical Business (the “**Auction**”); provided, further, if Buyer is selected as the winning bidder of the Auction, then (a) Buyer and Sellers shall negotiate in good faith the Asset Purchase Agreement and related documentation (subject to resolution of the issues and disagreements identified by Buyer in its markup of Sellers’ draft Asset Purchase Agreement to be delivered promptly following the date hereof, such resolution to be acceptable to each of the Buyer and the Sellers in their respective sole and absolute discretions, provided that issues otherwise expressly covered in this Term Sheet shall not be subject to further negotiation) and (b) this Term Sheet shall no longer be subject to any other offers (whether higher or otherwise better), unless terminated in accordance herewith. Buyer may discuss (without any further obligation) with Sellers and the Creditors Committee open issues in connection with the Chapter 11 Cases and Buyer’s claims, including administrative claims and performance under Bankruptcy Code § 365(d)(3) and plan support.
- 17. Plan Support* If the Closing occurs prior to the confirmation hearing Buyer, Landlord, and their affiliates agree to (a) withdraw any objection they have filed to the Debtors’ existing chapter 11 plan as currently filed (the “Plan”), (b) support confirmation of the Plan, and (c) vote any unsecured claims they may have against the Debtors, including any rejection damages claims, in favor of the Plan, and, if applicable, change their vote of any unsecured claims they may have against the Debtors, including any rejection damages claims, to a vote in favor of the Plan; provided, however, that, Landlord will

not be required to support confirmation and can object to confirmation if the Debtors do either of the following without Landlord's prior written consent: (i) seek to pay more than \$2.5 million in cash in settlement of administrative claims from cash that would have otherwise been available for distribution to holders of administrative claims under the Plan, or (ii) amend the Plan in a manner that materially adversely impacts the treatment of the claims of Landlord.

18. Fees and Expenses

Buyer and the Sellers are each responsible for their own out-of-pocket costs incurred in respect of the Sale, including all fees and disbursements of legal, accounting, investment banking and other advisors and any brokers' or finders' fees.

19. Termination

This Term Sheet may be terminated at any time prior to the Closing (a) by mutual written consent of Sellers and Buyer or (b) by Buyer:

- (i) if Buyer is not selected as the winning bidder in the Auction by April 17, 2019;
- (ii) if the Asset Purchase Agreement and related documentation have not been mutually agreed upon by April 22, 2019 in accordance with Section 16(a) above;
- (iii) if the Sale Order approving the Sale to Buyer has not been entered by April 26, 2019;
- (iv) if the Closing has not occurred by the close of business on the date 15 days after entry of the Sale Order;
- (v) upon approval by the Bankruptcy Court of any transaction involving or implicating any part of the Acquired Assets or the Assumed Liabilities that does not contemplate the Sale of the Optical Business to Buyer; or
- (vi) if the Sellers' Chapter 11 Cases are dismissed or converted to a case under chapter 7 of the Bankruptcy Code, and neither such dismissal nor conversion expressly contemplates the Sale of the Optical Business to Buyer.

In the event of a termination of this Term Sheet, this Term Sheet shall forthwith become void and there shall be no liability on the part of any party hereto.
